NALHFA is a section 501(c)(6) nonprofit organization. As such, contributions or gifts to this organization are not deductible as charitable contributions for Federal income tax purposes. In general, payments of membership dues are deductible for most members of a trade association under Section 162 of the Internal Revenue Code as ordinary and necessary business expenses; however, pursuant to Section 162(e) (1) of the Code, no deduction shall be allowed for any amount paid in connection with influencing legislation. Accordingly, NALHFA estimates that 50% of your dues payment is non-deductible because it supports NALHFA's lobbying activities.
