**ADDENDUM TO SEPTEMBER 30, 2018 AUDIT ENGAGEMENT LETTER**

This is an addendum to the existing Engagement Letter dated October 29, 2018. Management has requested that we record journal entries in our software and will provide all supporting documentation for us to be able to do so. You agree to assume all management responsibilities relating to these journal entries. You will be required to acknowledge in the management representation letter our assistance with the recording of the journal entries and that you have reviewed and approved the journal entries and accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

This addendum correctly sets forth the understanding of the Brevard County Florida Housing Authority:
